Product Filename: xWa7AnC2.0.1.zip

Description

Wallpaper. *Title:* Seven Areas and a Canal.

Caffè / café, Wi-Fi access, warm social atmosphere, light. A friendly, attractive lady owner, works there somedays, tall, blonde, classically named, wealthy, in her early thirties, the sort visiting business people crush on, her husband's lounge bar not far off. Offering cappucino with cocoa shakings, and complimentary chocolate covered coffee beans, individually wrapped. Set against city offices, lights on constantly, a canal, the calm level within each area. Trendy, clean, modern. Urban, business, after hours living.

"A man, a plan, a canal: Panama", famously palendromically once headlined a newspaper.

- 1) The caffè, inside,
- 2) The caffè, veranda,
- 3) The courtyard,
- 4) The canal path, nearside,
- 5) The obscured bridge,
The canal,
- 6) The canal path, farside,
- 7) The offices.

If there were a Europe and a Venice then perhaps there, or Amsterdam, or London.

If you have a cellphone you can use the thumbnail image as a backdrop.

All updates, upgrades and lifetime support are free with frequency.

User community support is freely available at the website.

Features

- Original artwork,

Browse to the image filename suffixed with your screen resolution.
Click the filename,
Select OK.

Microsoft Windows XP / 2003 Server / 98 / NT / etc

Right click on the desktop background.
Select Properties.
Browse...
Browse to the image filename suffixed with your screen resolution.
Click the filename,
Select OK.

Did You Know?

Finding Your Screen Resolution

Go to:
Start,
Control Panel,
Personalization,
Display Settings.

In the lower part of the window, under the Resolution slider, there should be two numbers. They are in the format: xxxx by yyyy pixels, for example 1024 by 768 pixels. This is your screen resolution.

Tip: You can also set your a background image from:
Microsoft Internet Explorer, simply right click, Set as Background, and from,
Mozilla Firefox, simply right click, Set as Desktop Background...

Uninstall

To uninstall your new background image, simply follow the procedure described above and select a different image as your background, from the Browse window, for instance Windows Wallpapers.
