Version: v2.0.1
Product Web Address: cyberspacial.com/xwa
This Document: xWa BeachD Read Me.pdf
Product Filename: xWaBeachD2.0.1.zip

Description

Wallpaper. *Title:* Beach D.

An available afternoon on a desert island.

A gentle beach. Sand crabs hiding. Stinging scorpions and jelly fish far away on the beach one down. The snakes in their jungle.

An elephant lies in the moutain of the island. It's part seen in the distance.

Browse...
Browse to the image filename suffixed with your screen resolution.
Click the filename,
Select OK.

Did You Know?

Finding Your Screen Resolution

Go to:

Start,

Control Panel,

Personalization,

Display Settings.

In the lower part of the window, under the Resolution slider, there should be two numbers. They are in the format: xxxx by yyyy pixels, for example 1024 by 768 pixels. This is your screen resolution.

Tip: You can also set your a background image from:
Microsoft Internet Explorer, simply right click, Set as Background, and from,
Mozilla Firefox, simply right click, Set as Desktop Background...

Uninstall

To uninstall your new background image, simply follow the procedure described above and select a different image as your background, from the Browse window, for instance Windows Wallpapers.
