

frequency Free Wallpaper Bouquet

Version: v2.0.1
Product Web Address: cyberspacial.com/xwa
This Document: xWa Bouquet Read Me.pdf
Product Filename: xWaBouquet2.0.1.zip

Description

Wallpaper. *Title:* Bouquet.

An attractive, nubile, young lady. Maybe an android. With artificial eyes, and slightly dyed, natural blonde hair. Soft, young teeth. Looks out, beckoning in.

A bouquet of flowers. Natural Moire interference patterns, bring color. 'Tinkerbell' light ball spirits dance around.

A classic image associated with the shared extra-terrestrial space and extremely fast travel.

All updates, upgrades and lifetime support are free with *frequency*.

User community support is freely available at the website.

Did You Know?

Finding Your Screen Resolution

Go to:

Start,

Control Panel,

Personalization,

Display Settings.

In the lower part of the window, under the Resolution slider, there should be two numbers. They are in the format: xxxx by yyyy pixels, for example 1024 by 768 pixels. This is your screen resolution.

Tip: You can also set your a background image from:
Microsoft Internet Explorer, simply right click, Set as Background, and from,
Mozilla Firefox, simply right click, Set as Desktop Background...

Uninstall

To uninstall your new background image, simply follow the procedure described above and select a different image as your background, from the Browse window, for instance Windows Wallpapers.
